The Baby and The Airplane

One day a baby saw a big, blue airplane. The baby said, "I want to go for a ride on the big airplane." She got into the airplane. The airplane did not go. The airplane had no gas in it. They went to look for the baby. "Come here!" said the mother. The mother got the baby out of the airplane. The mother said, "I will get you a little airplane, baby. No big airplanes for you."
